

Adjust S OLED

- S-1 OLED-suspended lamp with 1 adjustable lighting-arm, ~ 300 lumens, dimmable
- S-3x1 OLED-suspended lamp with 3 adjustable lighting-arms, ~ 900 lumens, dimmable,
- SH-6 OLED-suspended lamp with 6 adjustable lighting-arms, ~ 1800 lumens, dimmable,
- S-3 OLED-suspended lamp with 3 adjustable lighting-arms, ~ 900 lumens, dimmable,
- NE height adjustable by wire stoppermaterial: hinges: Chrome shiny; lighting fixture: aluminium, steel, powder-coated, color: BLACK, cables: BLACK
- OLED OLED: pro Panel: ~ 300 lumens, dimmable

The **“Adjust”** series of flat OLED light panels emit glare-free and diffuse light into their surroundings. Floating in the room like the weightless panels of a satellite, they can be turned in different directions on a ball joint for playful effects: now inwards, now outwards.

light source:

OLED-Panel*, warm-white, ~ 2900 Kelvin, 3000 cd/m², dimmable (constant current 368mA: 1-10 V, Pot, push-dimmer), panel size: 12 x 12 cm, luminance area: 10,4 x 10,4 cm, life time: ~ 10.000 h - 30.000 h, CRI 87, per panel: ~ 300 lumens / consumption per panel: ~ 7,4 W

Bestell-codes:

AD-S-1-NE / AD-S-3x1-NE / AD-SH-6-NE / AD-S-3-NE

(This lighting fixture contains built-in OLEDs. The *OLEDs of this lighting fixture are replaceable only by the manufacturer.)
